

Outbound Tour Group Reception Area
At Hong Kong International Airport

During the Chinese New Year Holiday peak period, the check-in areas at Hong Kong International Airport are expected to be very congested. Similar to the previous festive holidays, the Airport Authority Hong Kong will set up an Outbound Tour Reception Area to ease the anticipated congestion. The facility is provided to outbound tour operators free of charge, as an assembly point for tour participants and to brief them before going through the departure formalities.

The facility is operational from 9 February 2018 (Friday) to 20 February 2018 (Tuesday) and located at Level 6 of Terminal 1 (namely the mezzanine level between the Meeters and Greeters Hall at the arrival level and the Departures Check-in Hall at the departure level). Please refer to the attachment for details.

For enquiries or use of the Outbound Tour Group Reception Area, please contact Ms. Kristy Lo on 2183-3561 kristy.lo@hkairport.com or Mr. Paul Tam on 2183-3263 paul.tam@hkairport.com of the Airport Authority Hong Kong.

Thank you for your kind attention. (Encl: Location map and photo)
