Distribution List

Dear Sir/Madam,

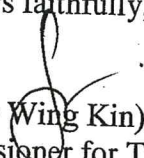

**Traffic Management Scheme for Heavy Vehicles at South Bay Path**

The width of South Bay Path is not sufficient for passing of heavy vehicles in opposite directions. As a result, there were traffic congestion at Beach Road and South Bay Road in some occasions, which causing inconvenience to road users (including non-franchised public bus trade). To alleviate the situation, we propose to prohibit vehicles which exceeding 10m long from turning left to South Bay Path from Beach Road and South Bay Road westbound. For details of traffic diversion, please refer to attached drawing.

In order to evaluate effectiveness of the abovementioned traffic management scheme, we would conduct a trial run in mid of August 2019 tentatively. Temporary traffic signage will be erected at relevant roads to inform the road users of implementation of the trial run.

Should you have any queries, please feel free to contact the undersigned at 2829 5802 or email to wingkinso@td.gov.hk.

Yours faithfully,

  
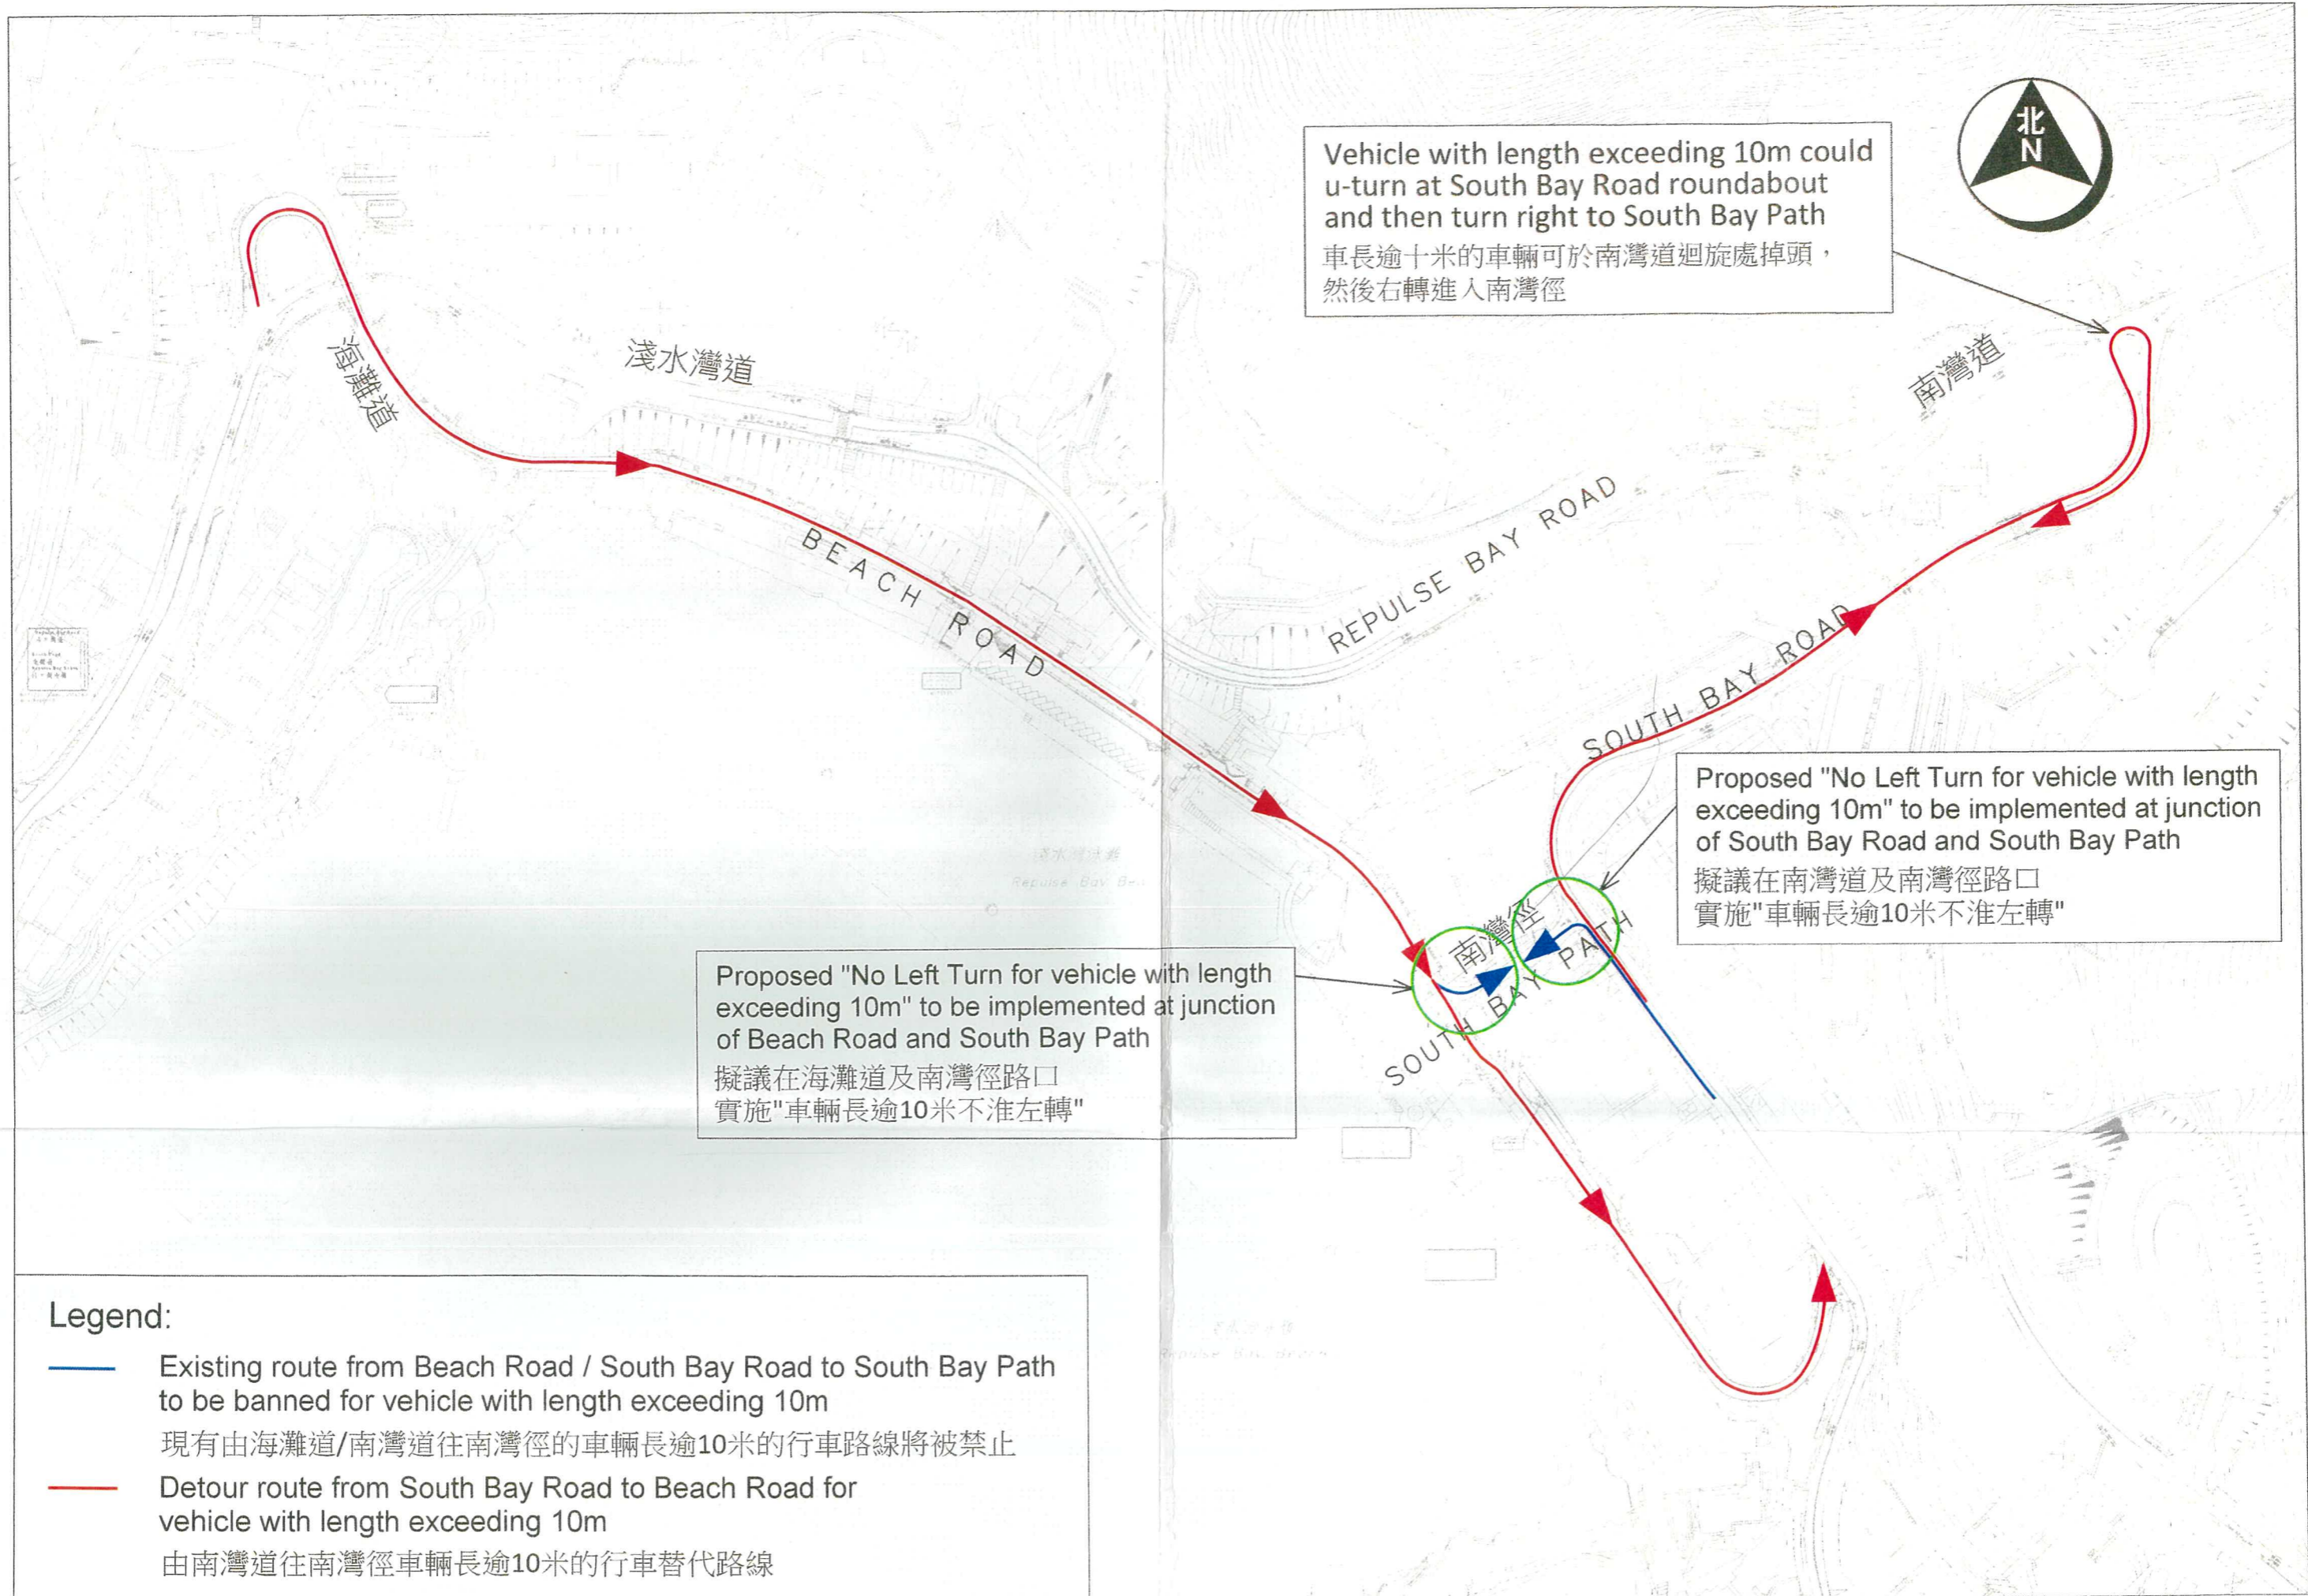

(SO Wing Kin)  
for Commissioner for Transport
